

ACCESIBLE TRAVELING SOLUTIONS FOR VISUALLY IMPAIRED PERSONS

ABOUT THE PROJECT

<https://www.atsvip.eu/>

ATSVIP is an Erasmus+ project funded by the European Union. The project main objective is through development of barrier-free tourism Open Educational Resource (OER) and cross-traffic navigation solutions, to make traveling accessible and safety for blind and visually impaired people.

Project Partners:

- Lifelong Learning Network, The Republic of North Macedonia
- Babilon Travel NGO, Romania
- IT Solutions for all, Spain

ATSVIP CONTEST FOR BEST STORYTELLING VIDEO

ABOUT THE CONTEST

The **CONTEST** is about best visual impaired storytelling, related to traveling experience alone within the project ATSVIP. It is a part of the Public awareness campaign for accessibility, safety and security during traveling for visual impaired persons.

• **CALL FOR PARTICIPANTS/GUIDE**

• **PARTICIPANTS OF THE CONTEST**

- Visually Impaired Persons
- Accompanying Persons
- No age limitation

• **VIDEO REQUIREMENTS**

- Video not longer than 3 minutes
- Language: English, Romanian, Spanish, Macedonian (optional)

• **SELECTION CRITERIA**

Each project partner will select the best storytelling video in their respective country. The organisation will establish a commission consisted of the organizational staff / collaborators / stakeholders relevant for the project topic.

• **AWARD FOR THE PARTICIPANTS**

The award for the best storytelling video will be participation in the ATSVIP training activity, held in North Macedonia or a present for the participant provided by the organizer of the contest.

The Contest winner in each partner country will be announced by 09.07.2021

Please send your storytelling videos via wetransfer, by the 30th June, 2021 on the following email adresse:

atsvip@googlegroups.com

Good Luck!
